A background illustration in red and white. It features a tall, multi-tiered watchtower with a spiral design on its side. In the foreground, there are several figures, possibly angels or messengers, wearing robes and holding long, thin objects that resemble trumpets or staves. The style is reminiscent of religious art or a woodcut.

On **March 4th, 2004**, the **United Nations Organization** issued an Official Public Statement about the Watchtower Bible and Tract Society's direct involvement with the Department of Public Information as a NGO [or Non Governmental Organization], thus making Jehovah's Witnesses direct supporters of the United Nations Organization between the years of 1992 thru 2001. **This deliberate act, as taught by the Watchtower Society & Jehovah's Witnesses themselves, automatically constitutes National "Apostasy" against God's Covenant.**

Thus, National "Atonement" is needed!!! (See **Lev. 4:1-21**; Daniel 11:30; Mark 13:14; Rev. 18:4. Please See Additional Information on this topic at: www.yorww.com/babylon.html)
