

The Beginning of True Worship

– Genesis 4:26

YORWW Congregation Manuscript #1012

Genesis 4:26 closely examined...

A question was once asked by a person of interest:

Quote:

If the Jehovah's Witnesses have fallen into apostasy, what benefit is there of being one? Is there an actual congregation of YORWW and how does it function?

As you may already know, the [YORWW Congregation](#) often refers to the Jehovah's Witnesses as a people and nation, that has fallen into "Apostasy" and become a [brazen "Apostate Nation"](#) like Ancient Israel was in Bible Times. In this way we believe, they correspond perfectly with ancient Israel of bible times. (Isaiah 10:6)

However, we must be reminded of the obvious, to fall into spiritual "apostasy," one must **first** have or possess a spiritual relationship or covenant with God, to begin with. And of course, this is what we [[YORWW Congregation](#)] believe has happened to God's Name People, Jehovah's Witnesses, since the year of **1931**, when we believe they actually gained this special relationship with God Almighty. Which of course in this case, would make Jehovah's Witnesses, different from all other religions, whom we think today do not have such a special covenant relationship with God. We believe only, only Jehovah's Witnesses have this special "covenant" relationship with God. But, not the other church or religious organizations of today. And Why? Well, this is because Jehovah's Witnesses today possess a ["Fundamental Bank of Truths"](#) that serves to differentiate them from all other forms of worship upon earth today.

And foremost of those "Fundamental Beliefs" we speak of, would be the public "Declaration" of God's Personal Name. Yes, to become fully acceptable to God and enter a covenantal relationship with Jehovah, a religious belief system must include the "Declaration" of God's Great Name, to constitute pure worship in His eyes.

See Link: [70 Years of Declaring The Name Completed -- October 1931 Thru October 2001!](#)

See Link: ["Jehovah's Witnesses Measured In The Light of the Scriptures"](#)

Bible prophecy indicates that during the time of the end, God's people, Israel, would fall away to "apostasy" and work wickedly in "leaving the Holy Covenant" -- God's *Christian* Covenant. -- Daniel 11:30

Therefore, we believe the Bible teaches that it is the **DECLARATION OF GOD'S GREAT NAME** that constitutes the *revival* of pure worship in our modern society, as the very words of Jehovah Himself shows. Also, in addition to "Declaring God's Name," we believe God's Word shows acceptable religion must first have or possess fundamental "truth" before it can fall into "apostasy" and break their "covenant" relationship with God. (See 2 links above for detail discussion on "Declaring" The Name of God and "Measuring Jehovah's Witnesses with the Scriptures." Also see chart ["40 Basic Truths Taught by Jehovah's Witnesses"](#). -- See Exodus 34:5, 6; John 12:28.)

The actual definition of pure worship is described for us at **Genesis 4:26** which says:

"And to Seth also there was born a son and he proceeded to call his name Enosh. **At that time a start was made of calling on the name of Jehovah.**"

This verse tells us the true beginning of pure worship upon earth. It started with the "declaring," "invoking" or "preaching" of the Divine Name itself. (See footnote in large print *New World Translation* Reference bible for Genesis 12:8.) -- Please compare **Genesis 4:26** with **Genesis 12:8**.

MAJOR POINT: For the past 70 years, from 1931 to 2001, Jehovah's Witnesses have taken upon themselves the grave responsibility to PUBLICLY "Declare" God's Name to the world. To be sure, this has been a noteworthy work that Jehovah's Witnesses have undertaken, namely to *voluntarily* "declare" God's Name to the world of mankind.

As mentioned above, **the first true worshiper of God AFTER "Abel," namely Seth, was so noted for the unique distinction of beginning this most sacred form of worship, as recorded in Genesis 4:26.** Yes, "Seth" has been honored in the Holy Scriptures, with the actual start (in a formal sense) of the holy practice of "calling upon God's Name." This means he started the formal practice of "declaring," "invoking" or "preaching" His Name, as the true beginning of pure worship of Jehovah upon earth, even though we know "Abel" was a true worshiper of Jehovah, and was the first imperfect man to worship God. But we remember, "Abel's" life, was cut short. He was murdered.

The Watchtower Society, takes the position that the "calling upon the Name of Jehovah," spoken of in **Genesis 4:26** is actually NOT the beginning of True Worship on Earth, but instead was a deliberate *misuse* of the "Name" of God being practiced at that time, and thus a defamation of The Divine Name and His Flawless Character. -- See *Insight On The Scriptures*, Vol. I pages 727, 728.

However, the highly esteemed and noted scholarly work called: ***The Expositor's Bible Commentary*** makes the following astute observation about **Genesis 4:26** and its true meaning,

"To underscore the importance of the line of Seth, the author notes that in his days people already practiced true worship of the God of the covenant: At that time men began to call on the name of the LORD (v.26). Such a note signifies that for the author of the Book of Genesis the worship of the Lord established at the time of Moses was not something new but rather a return to the worship of the only and true God....At least as far as the line of Seth was concerned, these men, like Abraham after them, are described as true worshipers of the covenant God." -- See *The Expositors Bible Commentary* Volume 2 page 69, paragraph 2.

So clearly as mentioned above, even Bible Scholars of our time, are acutely aware of the true meaning of **Genesis 4:26**, and its most important implications of showing the true origin and establishment of true worship upon earth at this time.

Therefore, God's Word helps us to appreciate, what is really occurring then, in **Genesis 4:26** -- the formal start of pure worship on earth, by "Seth," [See Watchtower publications *Insight On the Scriptures* and *Aid to Bible Understanding* on name: "Seth" which means "appointed," or "substitute"] in whom Eve said,

"...**God has APPOINTED another Seed in place of Abel...**" (Genesis 4:25)

Yes, **"Seth," was the Replacement "Seed" for "Abel," who himself was the very first TRUE worshiper of Jehovah upon earth.** Yes, "Seth" became that one, "appointed seed," as a "substitute" for

YORWW Congregation

Abel, just as his name actually means. And likewise, other faithful men of old like Abraham, Isaac and Jacob indeed, followed in his footsteps doing the same thing, by also "calling upon the Name of God," or by the "Declaring" or invoking the Sacred Name of God" as a sacred form of pure worship. In fact, this holy practice continued right up to Jesus himself, where he also is shown practicing this same most sacred form of worship of his Heavenly Father. -- See Genesis 4:25, 26; Genesis 12:8; Genesis 26:25; Exodus 33:19; Exodus 34:5, 6

At **John 12:28** Jesus spoke these important words *directly* to His Heavenly Father, namely:

"Father, glorify your name. Therefore a voice came out of heaven: I both glorified [it] and will glorify [it] again."

In the above instance, what's not commonly understood about this particular situation is that Jesus Christ, Jehovah's Only Begotten Son, actually *invited* the **Great August One**, Jehovah God The Almighty Himself, to yes, "extol," "preach," or publicly "declare" His Own Great Name! Yes, Jesus wanted utmost for Jehovah Himself, to "Glorify" His Own Great Name, to all in hearing range. And amazingly, Jehovah accommodated him. Amazing!

John 12:29, 30 says of this most spectacular event,

"Hence the crowd that stood about and heard it began to say that it had thundered. Others began to say: An angel has spoken to him. In answer Jesus said: This voice has occurred not for my sake, but for your sakes."

Yes, a great "voice," had sounded. Yes, it even sounded like "thunder" -- for it was truly the "voice" of Jehovah Himself! And How that voice thundered, in the hearing of these weak, pitiful humans! It was frightening, even. But, Jesus told them, this voice was heard by them, for "their own sakes," not his. This "thunderous" voice occurred because something was at stake, something very important to God. Yes, it was the Sanctification of God's Great Name! Yes, as Jesus once said: "...let your NAME be sanctified." (Matthew 6:9) Think about it.

So when Jesus asked Jehovah, His Father to "glorify His Name," why even Jehovah Himself, was willing to participate in such a HOLY ACTIVITY as preaching, declaring, and glorifying His Great and Holy Name. Yes, it was just that important to God.

Actually, what Jesus did in the above instance, clearly reminds us of what occurred for Moses who was on the Mountain with God, when Jehovah decided again, yes to "declare" His Own Name before him. Yes, again God decides to "declare" His Own Name, before this man, Moses. At **Exodus 34:6, 7** we read:

"And **Jehovah went passing by before his face and DECLARING: Jehovah, Jehovah**, a God merciful and gracious, slow to anger and abundant in loving-kindness and truth, preserving loving-kindness for thousands, pardoning error and transgression and sin, but by no means will he give exemption from punishment, bringing punishment for the error of fathers upon sons and upon grandsons, upon the third generation and upon the fourth generation."

Did you notice above, it states:

"Jehovah went passing by before his [Moses'] face and **DECLARING HIS NAME**."

Yes, Jehovah began extolling the great virtues of Name and what it stands for or should stand for, not only to Moses, or even Israel, this nation itself, but even to the entire Universe of His making...did you notice this?

YORWW Congregation

No question, but the actual "declaring" or "preaching," or "invoking" of God's Great Name, as even shown by Jehovah Himself, is the actual true *beginning* of True Worship upon earth, as shown above. No, there can be no question at all about this. Think about it.

Therefore for these reasons and more, yes, we believe, Jehovah's Witnesses of modern times have followed, too in the footsteps of faithful men of old and Jesus himself, in re-establishing pure worship for our modern times ON EARTH -- yes, by agreeing to PUBLICLY "DECLARE" the Sacred Name of God, particularly since the Jewish Observance of the Hebrew celebration, the "Great Hosanna" of the year of 1931, October of that year, and of course, by following thru with the making of a PUBLIC COVENANT with Him for the glorification of that Great Illustrious Name. Amen!

As you know, since that time, Jehovah's Witnesses have taught the world about God's Wonderful Name for some seventy years (October 1931 thru October 2001) since taking the Name of God upon themselves. Also, in imitation of ancient Israel they have taught "a framework of the truth" that was acceptable to God -- a bank of fundamental truths about God, over the years, a "framework of the knowledge of the truth" as Paul cited of ancient Israel. -- Romans 2:20

Therefore, we see Jehovah's Witnesses' basic form of worship we believe, was acceptable enough to God to make it possible for them to become modern day "Israel" of bible prophecy and make them very similar to ancient Israel, who eventually left Jehovah's Holy Covenant and went off to become an "apostate nation." (Isaiah 10:6) This has become particularly apparent when we consider their recent fall into apostasy by becoming a NGO with the United Nations thus committing 'spiritual fornication' against Jehovah God. This means according to James 4:4 they are now considered an "enemy" of God, where Jehovah, as in the past will surely work to destroy the nation that bears His Great Name. This means they have broken or "violated" their contractual status with God and lost their "covenantal relationship" with Him totally, and therefore will need a new one to seek Divine Forgiveness and Favor in the future. -- Leviticus 26:14-19; Jeremiah 50: 4, 5; Ezekiel 16:59-63

Which brings us to another point -- The coming birth of the "Male Child" of Revelation 12:5. By way of bible prophecy, we believe the gathering of the "male child" is imminent. **Revelation 12:5** says:

"And she gave birth to a son, a male, who is to shepherd all the nations with an iron rod. And her child was caught away to God and to his throne."

Therefore, we believe very soon, the 'birth of the male child' shall come, as foretold. These individuals we believe will prove to be, members of the Jehovah's Witnesses Organization, who will out of total disgust, leave the Jehovah's Witnesses Organization, very, very soon, and will join our group, the YORWW Congregation.

Even though we are a small group now (the exact number is kept confidential), still in the end, we believe this will not continue to be so. -- Zechariah 4:10

We also believe, that right after this miraculous birth of the "male child," that the 'woman' or main membership of the organization of Jehovah's Witnesses, will be sent "reeling" to the "wilderness to the place prepared for her by God." (Ezekiel 20:35-38; Hosea 2:14; Revelation 12:6, 14) And all of that time, the "woman" will be there for the "trampling" or disciplinary period. -- Luke 21:24; Revelation 7:9, 14

However, we believe and teach, the "Male Child" will be spared this discipline by Jehovah, because of obediently "fleeing the disgusting thing," as Jesus foretold as a recommended course for faithful ones of our day, as well as his. Yes, "flee idolatry" and all forms of "lawlessness" as taught by first century Christians and

YORWW Congregation

as shown by Jesus' own example, in "fleeing" apostate Jerusalem himself. (Matthew 24:15, 16; 1 Corinthians 10:14; Hebrews 13:13, 14) Finally, after this trampling period and disciplinary action on God's part, we believe at a specific time after that, all repentant Jehovah's Witnesses will be restored back to God's favor, restored from what the prophecy says, was considered actual "apostasy" committed upon their part. Just, as Ezekiel's prophecy points out:

"And they will no longer defile themselves with their dungy idols and with their disgusting things and with all their transgressions; and I shall certainly save them from all their ****dwelling places**** in which they have sinned, and I will cleanse them, and they must become my people, and I myself shall become their God." -- Ezekiel 37:23

****Its interesting to note the expression: "dwelling places" in Ezekiel 37:23, could have been translated "apostasies" or "acts of lawlessness," as noted by the large print *New World Translation* Reference Bible, in the footnote on this verse.****

Therefore, bible prophecy indicates Israel would be found guilty of spiritual "apostasy" in the last days or time of the end, severely disciplined by God and yet later, the nation would experience a "palingenesis" or spiritual rebirth to God's favor, and lastly given "an indefinitely lasting covenant" from God, after committing spiritual prostitution against him. -- See Jeremiah 50:4, 5; Ezekiel 16:59-63; Matthew 19:28

(To get more information on the "lawlessness" we speak of on the part of Jehovah's Witnesses, please see article which covers change in baptismal questions: [Are You Most Loyal To God Or An Organization-- Which?](#))

Also, we want to mention one more dramatic event to come. Revelation chapter 12 points out around the birth of the "male child" that Satan becomes really mad, angry. Which means, this will be a critical time for all mankind, since Satan will start the [Greatest War ever seen upon earth](#), at that time. Because as the bible tells us, Satan's "time is short," and he knows it. -- See Daniel 10:1 *New International Version*; Matthew 24:7; Revelation 6:4, 8; Revelation 12:12.

You asked:

Quote:

...whether there is an actual Congregation of YORWW Congregation and how does it function?

Jesus once said:

"Where there are two or three gathered together in my name, there I am in their midst." (Matthew 18:20)

So to be a "congregation" scripturally speaking, does not require great size or membership, according to Jesus. So first off, yes I'd have to say, there is an actual [YORWW Congregation](#). It does exist. Currently, it is very small in size and membership now. However, regardless of how many members we receive, we will still view ourselves as **ONE CONGREGATION**, a worldwide association of brothers, united in worship.

In fact, one day very soon, with the blessing of Jehovah, we see the YORWW Congregation ***taking on worldwide proportions***, largely because of what bible prophecy indicates for the future. (See the Link below on detail discussion of the Phenomenal Growth of the Prophetic ["Low, Dry Tree."](#) -- **Ezekiel 17:24**) But even then when it grows to large proportions, we will still view it as ONE congregation itself, a worldwide

YORWW Congregation

congregation of God's Name People. So at present, even though we are a very small community of worshipers we realize, we do meet in private homes, as prescribed by the bible. -- Hebrews 10:24, 25
