

"Two (2) Kingdom" Concept Examined

Daniel 2:44

"And in the days of those kings the God of heaven will set up a kingdom that will never be brought to ruin. And the kingdom itself will not be passed on to any other people.

**It will crush and put an end to all these kingdoms,
and it itself will stand to times indefinite;"**

God's Earthly Kingdom -- How Established

Part I

Daniel 7:21, 22 says this:

"I kept on beholding when that very horn made war upon the holy ones, and it was prevailing against them, and judgment itself was given in favor of the holy ones of Supreme One, and the definite time arrived that the holy ones took possession of the kingdom itself."

Verses 25-27 of **Chapter 7** says:

"And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time. And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [him] and to destroy him totally.

"And the kingdom and the rulership and the grandeur of the kingdoms under all the heavens were given to the people who are the holy ones of the Supreme One. Their kingdom is an indefinitely lasting kingdom, and all the rulerships will serve and obey even them."

Also, **Daniel 12:7** says:

"And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right [hand] to the heavens and to swear by the One who is alive for time indefinite: "It will be for an appointed time, appointed times, and a half. And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish."

The Watchtower Society contends that the situational "harassment of the holy ones" actually occurred some years ago, yes, between the years of **1914-1918**. They teach the Duo Anglo American world power rulership is the "Small Horn" of bible prophecy that harassed the "holy ones." This harassment period supposedly

"culminated on June 21, 1918, when J. F. Rutherford and prominent members of the Watchtower Society were sentenced to long prison terms." -- See *Pay Attention To Daniel's Prophecy* pages 141-144.

But does this make sense?

Further, doesn't the above context absolutely show that:

(a) the kingdom's full establishment will be a future event, (Or, something that has not occurred yet thus far.)

and

(b) The kingdom Government itself referred to above in Daniel's prophecy, will be an EARTHLY Government, with the Governmental Seat of this Kingdom finding itself being situated right here upon the earth? Doesn't the context indicate that?

In other words, the "holy ones of the Supreme One" establish their own "government" right here upon the earth, without anyone needing to go to heaven. No one goes to heaven, but the Kingdom and the "holy ones" of the Supreme One, establish the "Kingdom of God" right here upon the earth. Doesn't the above context show this?

Actually, according to the above verses, the "Kingdom Government of God," is established right here upon the earth AFTER (and not before as the Watchtower Society teaches) the "harassing" period of the **"Small Horn"** is finished. And clearly, there is no mention of a long drawn out, very much extended period of time (like close to **100 years** if starting from the date 1914) between the "harassing" of the "holy ones of the Supreme One," and the time God ordains they come into possession of the "kingdom of God." Then too, was not the "Small Horn" suppose to have been "destroyed," "annihilated" and his "rulership" taken away, at the end of the 3 1/2 years of "harassment" of the "holy ones of the Supreme One?" ***But none of this happened in the year of 1918, isn't that so?*** -- See Daniel 7:18; Daniel 7:26; Daniel 12:7.

And yet, according to the Watchtower Society, it has been close to **100 years** since 1914, since that time the "harassment" of the holy ones started ... That's close to a century or 100 years?

So where do the scriptures indicate there would be close to a century or a 100 years between the "war" of the "holy ones," the removal of the "rulership" of the "Small Horn," and the "definite time for the holy ones to come into possession of the Kingdom of God"? Why would there be a century of years between both events? Why would so much time be allotted between the "harassment" period of the "holy ones" and the time they take possession of the "kingdom" everlastingly? Where do the scriptures indicate this **100-year** period of time before coming into the "kingdom" for the "holy ones of the Supreme One"?

Daniel 7:21 shows us the "Small Horn" makes "war" upon the "holy ones of the Supreme One." But, actually, have we seen this "war" upon these ones? Have we visualized an actual "war" upon the "holy ones" of the Supreme One?

Obviously, according to Daniel's account, the "holy ones" of the Supreme One, did NOT come under attack between 1914-1918, because this would have meant the "kingdom of God" would have been in position to start after that, upon earth. And we know, this did not happen at all.

Thus based upon the above information, **the doctrine of 1914 as taught and understood by Jehovah's Witnesses and Watchtower Society today**, cannot be considered correct at all. Because we know no earthly "Kingdom of God," has been established since the designated years of **1914-1918**, the time when the "holy ones of the Supreme One" were supposed to have be "trampled" upon and "harassed" by God's permission. It has now been too many years passed to which show nothing of the sort has happened at all. Thus, this "harassment" period of ["a time, times, and 1/2 a time"] **3 1/2 years** or **42 months**, must be a *future event*. Also, based upon the foregoing information, the full and complete establishment of God's Kingdom upon earth too, which occurs some time after that, must also be considered a *future event* as well. This 3 1/2 year-period of time is mentioned several times in the Bible as being a most difficult time for God's Name People, mystery "Israel." Bible prophecy indicates that during this time much persecution is heaped upon these "holy ones" of God. In fact, "because of transgression" committed on Israel's part regarding the "disgusting thing that causes desolation," Jehovah God has "given authority" for the surrounding "nations" to "act" against God's people in "war." -- Daniel 7:21; 8:12; 12:11; Zechariah 12:1-3; 14:1, 2; Revelation 13:5-7
A KEY DIVISION IN GOD'S NAME PEOPLE MADE OVER "TRANSGRESSION"

Daniel 8:12 says,

"And an army itself was gradually given over, together with the constant feature BECAUSE OF TRANSGRESSION; and it kept throwing truth to the earth, and it acted and had success."

As mentioned above, because "transgression" has been committed by the nation of "Israel" in overlooking the appearance of the "**Disgusting Thing that causes desolation**," the vast majority of "Israel", the "holy ones" in this instance come under intense persecution. God allows this intense persecution to test and refine the nation of Jehovah's Witnesses. -- See Daniel 12:11; Zechariah 12:1-3.

However, we must point out that some few of Jehovah's Witnesses, will show real spiritual "discernment" and demonstrate this by "catching sight of the Disgusting thing" that "stands where it ought not," in a "holy place" and IMMEDIATELY take their "flight" from an apostate "Jerusalem." Obviously they will do this because they immediately recognize this situation of allowing a "disgusting thing" to stand in a "holy place" shows the entire spiritual nation of Jehovah's Witnesses HAVE FAILED GOD greatly! They recognize these ones have failed God. They can see now, an unfaithful, "apostate" Jerusalem before them, one that has failed to recognize the danger of the "disgusting thing" being accepted by the worldwide congregation of Jehovah's Witnesses. -- See **Isaiah 10:6**.

Yes, Jehovah's Witnesses will now show full acceptance to the idea and teaching that the United Nations Organization is no longer to be regarded as the "Scarlet-Colored Wild Beast" of Revelation 17th chapter, any longer. This viewpoint is incredibly revealed for all to see, in the **June 1st, 2003 Watchtower magazine**, page 20 paragraph 11. But again remember, it will take keen "discernment" for these special individuals, these

special Jehovah's Witnesses to see this. -- Matthew 24:15, 16; Mark 13:14

That *particular* Watchtower article made the following curious statement:

"Gog of Magog is identified as Satan the Devil in his debased position since 1914. As a spirit creature, he cannot carry out his attack directly, but he will use human agencies to do his deeds. **Who will these human agencies be? The Bible does not give us details**, yet it does give us certain indications that can help us to identify who they will be. As world events unfold in fulfillment of Bible prophecies, we will gradually get an ever clearer picture. **Jehovah's people avoid speculation** but remain spiritually alert, fully aware of political and religious developments that fit into the framework of the fulfillment of Bible prophecy." -- See **June 1st, 2003 Watchtower**, page 20, paragraph 11.

Did you notice above, this particular magazine point-blank says, Jehovah's Witnesses are not to "SPECULATE" about exactly which HUMAN AGENCY will attack themselves in the Great Tribulation? Did you notice this? The article said, the bible does NOT give us the *specifics* about this attack and which "human agency" will be used to commit this dastardly deed. And neither are Jehovah's Witnesses to "speculate" anything about this, while in field service, teaching on bible studies or even in private conversations among themselves. No, they are not permitted to do so.

Doesn't this give room in the minds of the readers of this paragraph, to erase the idea of the United Nations Organization ever attacking Jehovah's Witnesses in the future???

Now, that's the June 1st, 2003 *Watchtower* magazine.

So, let's add this particular thought from the Governing Body of Jehovah's Witnesses to another meaningful comment on the same topic, made back in the year of **1999**, where they mentioned this little "tidbit":

***** w99 8/15 p. 29 Do You Remember?*****

Why is it logical to say that there will be a future "standing in a holy place" by "the disgusting thing"? (Matthew 24:15)

In the ancient pattern, 'the disgusting thing standing in a holy place' was linked to the Roman attack under General Gallus in 66 C.E. The modern-day parallel to that attack—the outbreak of the "great tribulation"—is still ahead. (Matthew 24:21) So "the disgusting thing that causes desolation" is yet to stand in a holy place.— See also May 1st, 1999 *Watchtower*, pages 16, 17.

So after looking at the whole picture, can you not see the craftiness, the deviousness, the sneakiness and surreptitiousness of the Watchtower Society in all of this???. Aren't they talking as though, maybe just maybe, they **???**

Isn't that the clear implication here?

YORWW Congregation

But again, what would happen if ... just if, the Watchtower Society would adjust their thinking on exactly who pictures in our modern day time, the "Disgusting Thing" of Matthew 24:14, 15? What would happen then, to the thinking of Jehovah's Witnesses worldwide, that already knew about United Nations incident and the resulting fabrication and falsehood of a "Library Card" excuse that was used to "fool" or misled so many about the real reason they [Watchtower Society] actually joined forces with the United Nations Organization, as an NGO? What would happen then?

Wouldn't these "informed" Jehovah's Witnesses now feel cheated, deceived by the Watchtower Society, because they actually believed them, when the Watchtower Society told them originally about the "Library Card" excuse for joining the DPI of the United Nations Organization? Wouldn't they feel "hurt," and "lied to" by the Watchtower Society, especially if it was now taught and believed, the "Disgusting Thing" of Matthew 24:14, 15 ... never, ever should have been applied to the United Nations Organization, according to bible prophecy? Also, wouldn't these Jehovah's Witnesses now know positively, the Watchtower Society had all along, wanted to join forces with the United Nations as publicity agents for them, as NGOs with the Department of Public Information [DPI], starting back in 1991? Wouldn't they now, know this? Wouldn't they now see, the clear implications or begin to sense, get this uneasy feeling, that in fact, a special "wine" had been put upon them, given them to "drink," yes, the "wine of her fornication" that soothes a person, in idolatry? A special "wine" that now brings forth God's Great "Wrath" upon them? Wouldn't they now see this? Wouldn't they now see, using what Jesus referred to as actual "discernment" to yes, "flee" [or make their "flight" verse 20] from apostate Jerusalem, yes show "discernment" and immediately "flee" wicked "Babylon The Great" of our times, namely the Watchtower Society itself? Wouldn't they do this? -- See Matthew 24:14-28; Revelation 14:8; Revelation 17:2; Revelation 18:3.

Well, believe it or not, in an article released by the YORWW Congregation, back in the summer of **2005**, as shown on the CrossingEuphrates.com website under the title, ***Babylon The Great -- What Is It? Part. 2***, we note this very interesting information pertaining directly to this point and likelihood happening among Jehovah's Witnesses. The article states the following:

"THE NATIONS" WHO ARE "DRUNK FROM THE WINE OF HER FORNICATION" -- Revelation 17:2

In fact this situation shouldn't be too surprising to inquiring Jehovah's Witnesses, since it has already been proven the Watchtower Society will compromise, and commit spiritual fornication. And that's because, they have ALREADY DONE IT. Yes, we know the Watchtower Society is fully capable of doing this, especially since it has recently come to light about the elicited affair the Governing Body secretly had with the United Nations Organization, as a secret NGO publicity agent for the Department of Public Information for the UN. Yes, during a 10-year period, the Watchtower Society willingly agreed to use the Awake! Magazine (and other publications if necessary) as a tool for the United Nations Organization, yes, to highlight its virtues. That is an accomplished fact, that can be documented.

*And of course when this came to light by the Press, the Watchtower Society and its Governing Body **LIED** about the whole affair, to all 90 plus branches, in written correspondence to them when questioned, correspondence dated **November 1, 2001**. At that time, the Watchtower Society sent forth the*

YORWW Congregation

famous "library card" lie, about why they joined the ranks of "worldly" religious organizations of our time, who are NGOs too for the UN Organization. They claimed to have mistakenly joined, only so that they could use the Library of the United Nations. But that has been proven a blatant lie many times over by sincere Jehovah's Witnesses who were willing to research the matter. In fact, it is common knowledge that one does not have to join as a NGO for the United Nations, just to use their Library. So that "lie" was easy to substantiate or disprove.

And to further this "Library Card" lie, the actual "wine of her fornication," these figurative "kings" also knew full well the Watchtower Society had used yes, so-called "theocratic strategy" upon their own brothers, a complete no-no, according the definition the Watchtower Society gives to this procedure, in their own publications. Yes, these figurative "kings of the earth", actually know what they are doing and they know exactly what the Watch Tower Society is doing. **So, they CONSPIRE TOGETHER, to "commit fornication" together as secret collaborators, to uphold the Watchtower Society in its hidden, unrevealed spiritual "fornication" before God and man.** Yes, they perpetuate the "wine of her fornication", the "Library Card" Lie itself, to make all the "nations", Jehovah's Witnesses internationally speaking, spiritually "drunk", in spiritual revelry before God. This spiritual compromise, this spiritual "mixing" or "adulterating" of mixing religion with Satan's political system is total compromise in God eyes and Jesus'. This means, no matter what we think: This great sin must be faced and "atoned for" before God's Eternal Favor can be restored to the nation of Jehovah's Witnesses, as Modern Day "Israel." It is a NATIONAL Sin, for the nation. And one that Jesus Christ as Head of the Congregation is most concerned about. -- See Leviticus 4:3.

FACT: The Governing Body of Jehovah's Witnesses willingly committed spiritual fornication for close to 10 years, when they became NGO publicity agents for the Department of Public Information of the United Nations Organization -- from January 1992 thru October 2001. And when caught, they UNREPENTANTLY lied about it. They lied about it, something we know Jehovah God hates....lying. (Proverbs 6:16-19; Revelation 21:8) Is it any wonder, the "Library Card" lie, is shown to be in the book of Revelation, yes, the "wine of her fornication" where countless "nations" of God's Name People worldwide, are stumbled by her, intoxicated by her mouth of falsehood and deceit. (See Revelation 17:2.) Also, this becomes the "wine of the ANGER of her fornication" that "all the nations have fallen victim to." (See Revelation 18:3.) Yes, that mysterious "library card" story, the Governing Body told back in the year of 2001, and still to this day, persists in telling the brotherhood who inquire about it. Yes, this is what the Governing Body did. So then, this brings about great "anger" on Jehovah's part. That is, God's "Anger" against those in OPEN REVOLT against Him. -- See Revelation 14:8.

So God's Word shows, the "kings of the earth," help Babylon in her "fornication." They commit fornication as the bible say, "WITH HER," as willing accomplices, to deceive the brotherhood of Jehovah's Witnesses, with this awful "Library Card" Lie. And, as they are doing right now presently, giving their full support to the Watchtower Society even knowing what the Watchtower Society has done "behind closed doors" in connection with the UN, then, we can fully expect that they will again willingly also go along with the Watchtower Society's FUTURE adulterous antics, to again mix religion with politics when confronted with the "Johnny come lately," most ruthless and oppressive "king of the North" ... a near future event for all of us...when he comes thru the "land of Decoration" destructively upon all Jehovah's Witnesses, after the fast approaching "Great

YORWW Congregation

War" is won by him. -- Daniel 10:1 (NIV); 11:32; 11:40, 41 New World Translation

Therefore, these figurative "kings of the earth" will prove to be the key men that will help the Society maintain its control over the international "many waters," where the woman "sits" on top as "queen" and "mother of the harlots", mother of the 95,000 harlot-like "congregations" that she has sullied before Jehovah and Jesus. -- Revelation 17:1, 5, 7, 15.

End of Quote.

Then to, Jehovah's Witnesses can't even say exactly who will attack the Churches of Christendom anymore either. That is because, Jehovah's Witnesses can't say the "disgusting thing" [supposedly the UN Organization] is even "standing" in the "Holy Place" anymore. Now, what do you think of that?

But what if by chance, the Governing Body still believes the UN = the "Disgusting Thing" of Matthew 24:15? And yet they realize, the UN as the "disgusting thing" has not attacked the churches as of yet. Thus they think, the UN has not as of yet, actually "stood" in the anti-typical "holy place" of first century "Jerusalem." No, this did not happen in **1919** when supposedly the "League of Nations" was first proclaimed to be the "Political expression of the Kingdom of God on earth" by the churches. No, but now the Governing Body believes this must be a *future event*. If that is the case, we do not know for that matter **which religious organization including Jehovah's Witnesses**, will be attacked by the "Disgusting Thing"... isn't that so???

However if this is the case, then we have to wonder what *future action* on the part of the churches of Christendom, could possibly provoke the UN Organization or some other political entity to attack and destroy them, at the outbreak of the "Great Tribulation," as the Jehovah's Witnesses presently believe? Yes, what action on the part of the religions of our day, what future action on the churches part, would constitute that "apostasy" event, since already the churches are and have been for years, FULL-FLEDGED NGOs for the UN, and have been that for many years now? And of course, the Jehovah's Witnesses, **in full "Oholah"/"Oholibah" fashion**, chose to imitate their actions by themselves becoming NGO Supporters of the United Nations Organization for close to ten (10) years too!

And again, why are Jehovah's Witnesses being told (in the June 1st, 2003 *Watchtower* magazine) not to say [or speculate] who will specifically attack themselves at the Great Tribulation? Why can't Jehovah's Witnesses teach this anymore? Because if they do, they would be "speculating."

Isn't it possible, just possible that this may be the *real reason* the Watchtower Society became secret **NGOs for the United Nations Department of Public Information** back in the year of **1992**?

Hmmmmmmmmmmmmmmmmmmmm.

Important Point!

In analyzing this most intriguing prophecy of Jesus, it should behoove all Jehovah's Witnesses to notice the incredible fact that all other bibles or translations available today, all render verse 15 of Matthew chapter 24 as saying, 'the disgusting is standing in THE...THE Holy Place,' whereas we note, the Watchtower Society's *New World Translation* says he is standing in "A...A Holy Place," ... see the difference? Now, we must ask ourselves, why should the Watchtower Society make such a change or adjustment in this particular verse? Why, do this? Well, the answer is obvious. The Watchtower Society wants to teach its "A" holy place but not "THE" Holy Place because they want us all to believe it pictures unholy Christendom, the fake, "apostate temple" as they say, apostate "Jerusalem" of our times, as they teach. That's the reason. Think about it! - See *God's Kingdom of a Thousand Years Has Approached* page 384, paragraph 43. ([For more information please click here](#))

In noting this prophecy, we recall Jesus spoke many years ago, about a future time:

"Therefore, when you **CATCH SIGHT** of the disgusting thing that causes desolation, as spoken of through Daniel the prophet, standing in a holy place, (let the reader **USE DISCERNMENT**,) then let those in Judea begin fleeing to the mountains." -- Matthew 24:15, 16

Again **Mark 13:14** renders the key verse this way,

"However, when you **CATCH SIGHT** of the disgusting thing that causes desolation standing where it ought not (let the reader **USE DISCERNMENT**), then let those in Judea begin fleeing to the mountains."

These "discerning" Jehovah's Witnesses must first "catch sight" of this horrible "disgusting thing" in their midst first. They must recognize that the "disgusting thing" is standing in a "holy place," in a place that he "ought not" be. And further they must use "discernment" to know it is high time to "flee", yes "take their flight" from Jerusalem because they know, the "great tribulation" is quickly to follow. That's God's vengeance, God's great wrath upon this unfaithful people. (Luke 21:22, 23) To maintain God's favor, these special individuals among Jehovah's Witnesses that show real "discernment", will now have to act quickly, without hesitation. -- Matthew 24:15-22

WHAT THE WATCHTOWER SOCIETY HAS TAUGHT IN THE PAST ABOUT THE UNITED NATIONS

Most individuals who are familiar with what the Watchtower Society teaches know, Jehovah's Witnesses as a nation have for many years, regarded the United Nations Organization as the "**Scarlet-Colored Wild Beast**," also known as the "8th King." They know that the Watchtower Society has many times shown in scripture the "Scarlet-Colored Wild Beast", to launch a specific attack upon God's Name People just before Armageddon. Actually, the Watchtower Society has referred their readership of their printed publications many times to scriptures like **Revelation 17:3** and **Revelation 17:11-17** which actually show us this future situational attack. The Watchtower Society have often referred to these verses to show the future attack upon God's Name People does come from the United Nations Organization, just before the end comes and God acts to save His people.

Here are a few examples of what the Watchtower Society has taught in the past on the subject of the United Nations Organization's specific role in attacking God's Name People, all under Satan's direction.

Quote:

"In due course, the "scarlet-colored wild beast" itself must go off into destruction. But before this happens, and even before its FINAL BEASTLY ATTACK ON GOD'S PEOPLE, that UN beast has a special service to perform. Jehovah puts 'his thought into the hearts of the wild beast and its militarized horns.' With what result? God's angel answers: "And the ten horns that you saw, and the wild beast, these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire." -- The April 15th, 1989 *Watchtower* page 14, paragraph 14.

Also this example,

Quote:

"The prophecies of the Bible focus in on our day. They show us what lies immediately ahead. "For all the things that were written aforetime were written for our instruction, that through our endurance and through the comfort from the Scriptures we might have hope." (Romans 15:4) The prophetic word depicts mankind's 'last hope for peace,' the UN, as a scarlet-colored wild beast. Oh, it may trump up some kind of shaky peace and share in the cry "Peace and security!" — in harmony with its charter and in fulfillment of the prophecy at 1 Thessalonians 5:3. But then Jehovah will maneuver the militarized "horns" of the UN to devastate false religion, "Babylon the Great," of which Christendom's sects make up the most reprehensible part. Then, when those "horns" turn to do battle with the Lamb, Jesus Christ, by attacking the peace-loving witnesses of Jehovah, God's sword of execution will descend on those nations and their armies, and "they will by no means escape." -- The November 15th, 1983 *Watchtower* page 23 paragraph 17

This particular quote shows exactly how the Watchtower Society sees the future between God's Organization [Jehovah's Witnesses] and the United Nations Organization, their primary attacker.

Quote:

"The United Nations is actually a worldly confederacy against Jehovah God and his dedicated Witnesses on earth. It is really a conspiracy, with the worldly nations getting their heads together and scheming up what they may do against the visible organization of Jehovah God on earth. During this "conclusion of the system of things," it was foreshadowed by the conspiracy referred to at Isaiah 8:12.—Matthew 24:3." The September 1st, 1987 *Watchtower*, page 20 paragraph 13

Now in this comment, please notice Satan's own personal choice in "human agencies" to attack Jehovah's Witnesses. It says,

Quote:

"With the desolating of Babylon the Great, the great tribulation will already have started. Then, urged on by Satan, the scarlet-colored wild beast and its ten horns will concentrate their attack on Jehovah's people. The Devil, more wrathful than ever at God's womanlike organization, is determined to use his dupes in waging war to a finish with the remaining ones of her seed. (Revelation 12:17) This is Satan's last opportunity!" -- *Revelation - Its Grand Climax At Hand!* page 279 paragraph 1

YORWW Congregation

These are but a few examples of what the Watchtower Society has written about the future attack upon God's People by the "Scarlet-Colored Wild Beast," also known as the "United Nations Organization."

However what most are unaware of is that has all changed now, with the release of the **June 1st, 2003 Watchtower** magazine. Now, according to that particular issue, God's Name People can no longer say, who will attack them in the future, specifically. They can no longer say with any certainty which "HUMAN AGENCIES" Satan the Devil will use to attack God's people. No, they cannot say this anymore because if they did, this would be ill-advised "SPECULATING" the article says.

Nevertheless, individual Jehovah's Witnesses of keen discernment, would be able to see-thru this facade and really "CATCH SIGHT" of the "disgusting thing" standing "in the holy place," right before their eyes. They at that time, would be able to see the "Disgusting Thing," standing in very close proximity to the holy camp of Israel. (This is especially so since many are aware of the scandalous affair that showed the Governing Body secretly and dutifully carrying out the instructions of the United Nations Organization to promote them for close to 10 years as a willing "NGO" or Non Governmental Organizational sponsor, between January 1992 thru October 2001.)

Yes, it is these types of especially "discerning" individuals, who would be able to understand what has occurred and would immediately "flee" from apostate Jerusalem. (Isaiah 10:6; Matthew 24:15, 16) And they will not hesitate to do so. They follow the bible's command without trepidation or any "trembling at man," which we know "lays a snare" to ones feet. Yes, they have the spiritual "discernment" to "flee from idolatry." -- Proverbs 29:25; 1 Corinthians 10:14

It will be this type of discerning Jehovah's Witnesses, that will be the first to make up an earthly government for God, where he "cuts out" of the Jehovah's Witnesses Organization [the "Mountain"], these select individuals. (Daniel 2:34, 35, 44, 45) These will prove to be the ones that show the greater "discernment" in recognizing the "Disgusting Thing" in the midst of Israel and will heed Jesus' advice to "flee" at once without hesitation. Since they are willing to leave, immediately, then Almighty God will take a "saving" action toward them, and will save such individuals from any PERSECUTION or "harassment" by the "nations" for the "3 1/2 Times" or "42 months." (Daniel 12:7; Revelation 11:2; Revelation 13:5) Yes, God will spare them and show great mercy toward them for their "discernment" and bravery and loyalty to His Great Name. It is about these particular individuals, in whom the Bible refers to as the **"Tents of Judah" [or "Male Child"]** that we will speak of specifically next. These individuals are known as the "Tents of Judah" [or "Male Child"]. They are also known as the "Sons of Zadok" of bible prophecy. -- Hosea 1:7; Zechariah 12:7; Ezekiel 43:19; Ezekiel 44:12-16; Isaiah 66:5-9; Revelation 12:5
