The name "YORWW" means "Yah Our Righteousness World Wide" taken from Jeremiah 33:16. This small group originally called TWMC [Two Witnesses Must Come] began back in the Spring of 1991 with sixteen (16) FORMER Jehovah's Witnesses as founding members, who believed Jehovah's Witnesses were modern-day "Israel" of bible prophecy, ever since their taking the Divine Name upon themselves in the year of 1931. However, it was believed Jehovah's Witnesses were soon to lose that privilege of carrying God's Great Name, just as the Jewish nation did back in Jesus' day when God REPLACED THEM with 1st Century Christians because of GREAT WICKEDNESS practiced. In fact, Jesus told the religious leaders of his day, the "Kingdom of God" would be "TAKEN AWAY" from them and given to ANOTHER "NATION," first century Christians. Likewise today, because of great wickedness being practiced, Jehovah's Witnesses will be replaced by the nation of JAMAICA (first represented by 144,000 Jamaican Teachers of God's Word) who would obediently bear the righteous "fruit" Jehovah seeks. -- See Isaiah 43:18-21; Isaiah 44:3-5; Isaiah 55:13; Matthew 21:43; John 4:23; Acts 15:14, 17.
